Audition Application

Before the student will be allowed to audition, the following agreement must be signed by the student and parent:

1. Students will be assigned random placement for audition to ensure anonymity and fairness.
2. Students will not be allowed to audition out of assigned order.
3. Students may not leave the audition room before the round is complete.
4. Talking, playing, or any other distraction will not be allowed in the audition room.

The above are rules and guidelines for Region 18 Orchestra auditions. Failure to follow these guidelines will result in removal from the audition process.

In the event that the student becomes a member of the Region XVIII Orchestra, the student and parent must understand that attendance at all rehearsals and the concert is mandatory. Illness or death in the family will be the only excused absences. An unexcused absence will result in the loss of membership in the Orchestra and forfeiture of the Region patch. Plans should be made to be at the rehearsal 15 minutes early for tuning.
